# Special Routing for Kiwanis Document Shredding & Recycling Event Sep 22, 2018

- Event entry will NOT use the normal Recycle Park entrance off Rt 306. Vehicle queueing will follow the path shown above through Herrick and Parkview Dr.
- When you get to the Park Gate, show your flyer that indicates what items you have to recycle
- Based upon what you have, you will be routed to the fastest lane to minimize your wait time
- There will not be any power equipment to unload large metal items. If you cannot unload your own vehicle, please bring help.
- Standard Recycle Park entrance off Rt306 is for normal, non-event Recycling; exiting back onto Rt306
