Safe E-Commerce Exchange Location

The Russell Township Trustees and Russell Police Department have established a Safe **“E-Commerce Exchange Location”** at the Russell Police Department.

Russell residents who want to buy or sell items directly from others over the Internet via Offer Up, Craigslist or other E trading transactions now have a safe way to meet the other party face-to-face for an exchange.

The transaction can be conducted in the Front Parking Lot or Lobby at the Russell Police Station.

This is where buyers and sellers can safely meet to finalize sales made over the internet.

There is a sign posted at the Front Door of the Police Department indicating a Meet-up Spot E-Commerce Exchange.
