

Geauga Soil and Water
Conservation District proudly presents:

VERMICOMPOSTING

Turning Spoils Into Healthy Soils!

THURSDAY, OCTOBER 26, 2017 6:00-8:30 P.M.

at THE WEST WOODS NATURE CENTER

9465 Kinsman Rd (S.R. 87), Russell, OH 44072

Learn all about vermicomposting, a unique and versatile way to compost year-round and indoors! Though nearly half of our household waste is food, vermicomposting uses red wiggler worms to convert food scraps into valuable soil amendment which improves soil drainage, structure, and overall health. Join us for this FREE and fun workshop featuring compost expert Diana Sette who will demonstrate the essential steps of creating and maintaining a vermicomposting system.

Supplies included for the first 30 Geauga County residents who register!

REGISTRATION REQUIRED BY OCTOBER 17TH!

*For more information or to register contact Gail Prunty
at gprunty@geaugaswcd.com
or 440-834-1122*

Lake Erie: DON'T WASTE IT!

**This program is part of the
Stormwater, Phase 2, and You!
education series.**

*In collaboration with
the Geauga County
Master Gardeners*

Ohio Department
of Agriculture
