To: Residents of Watt Road

Dear Resident

The improvement of Watt Road is scheduled to begin on or about July 11 beginning with two culvert replacements. The road will need to be closed at these locations to accomplish this work.

Asphalt resurfacing will then begin on or about August 8. There will be temporary daytime closings and delays during this process.

The contractor for this project was awarded to Karvo Paving. They will make every effort to work with you to make this improvement as convenient as possible

Sincerely,
