October 10, 2016

Mr. Podojil called the meeting to order at 7:00 pm. Board members Ms. Rader and Mr. Gerard were also present.

MINUTES: *Ms. Rader made the motion to approve the minutes from the 511 Park Board regular meeting held on September 22, 2016, as presented. Mr. Gerard seconded the motion and it passed unanimously.*

Mr. Podojil asked if once the minutes are approved if they would be provided on the Township Website, if they will be sent to the library, and how else they will be available to the public. The minutes will be on the Township website once they are approved since the 511 Board is an extension of the Trustees, the minutes will be sent to the library, and there will be a copy in the Administration Building for public view.

The Board discussed the Report that is being put together. The report needs to be done by December and provided to the Trustees by January 2017. There are going to be four general areas to the report that will include a mission statement, goals, land acquisitions and opportunities, and financials. The Board divided the sections amongst themselves so they can start to write them. The board would like a draft of everyone's sections by the next meeting for discussion and input from the rest of the board. Mr. Gerard will write about the introduction, mission, and goals. Ms. Rader will put together bylaws. Mr. Podojil will look into land acquisition and opportunities.

The Board asked if they could be provided with the definitions of the zoning districts in Russell Township. Ms. Dorka will follow up.
