Hi Chuck:

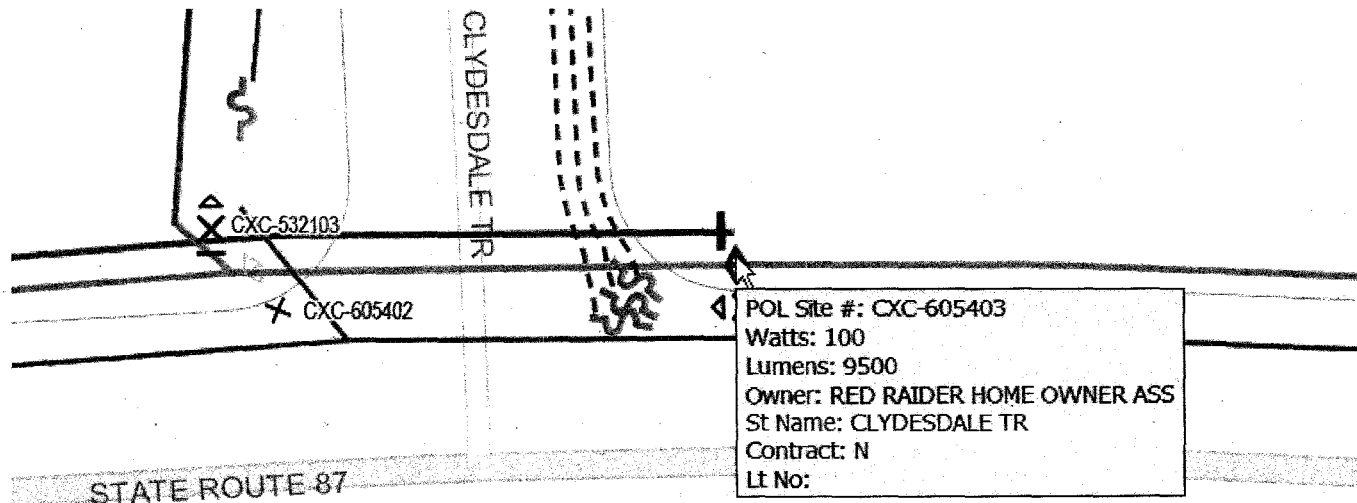

I wrote a notification to have someone from CEI Engineering contact you about a streetlight upgrade/retrofit at Clydesdale Trail and SR 87. You should be hearing from someone in the next 7 to 10 business days. For future reference, the Notification Number is 742356120.

As requested, I also have attached a copy of the PUCO-approved Illuminating Company LED Streetlight Tariff. Please review at your convenience and we can discuss.

Best regards,

Hi Chuck:

Please see the appended screen capture. As we discussed earlier today, there are two POLs at the entrance to the Red Raider development on Clydesdale Trail at Kinsman Road. Please confirm the following:

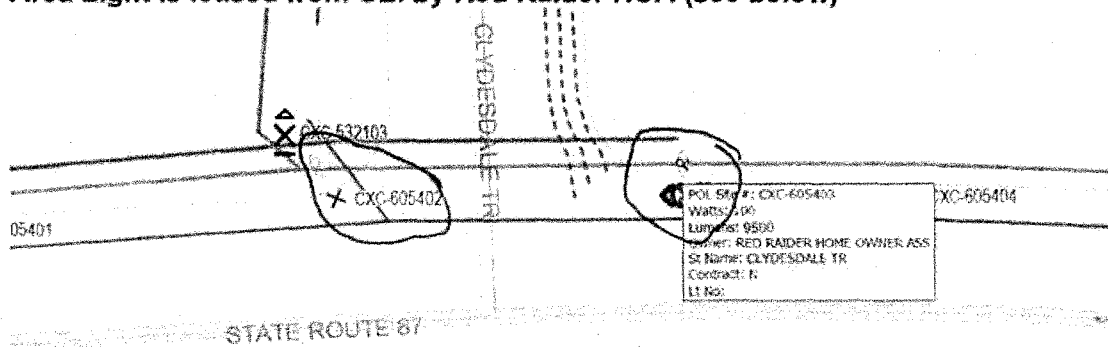

1. Russell Township is interested in to obtaining a quote to reactivate CXC-605403 only on the northeast corner of SR 87 (Kinsman) and Clydesdale Trail (and NOT CXC-605402, on the opposite corner).
2. Russell Township also would like to rotate the arm 90 degrees and increase the wattage/lumens of the replacement fixture to illuminate more of the intersection.

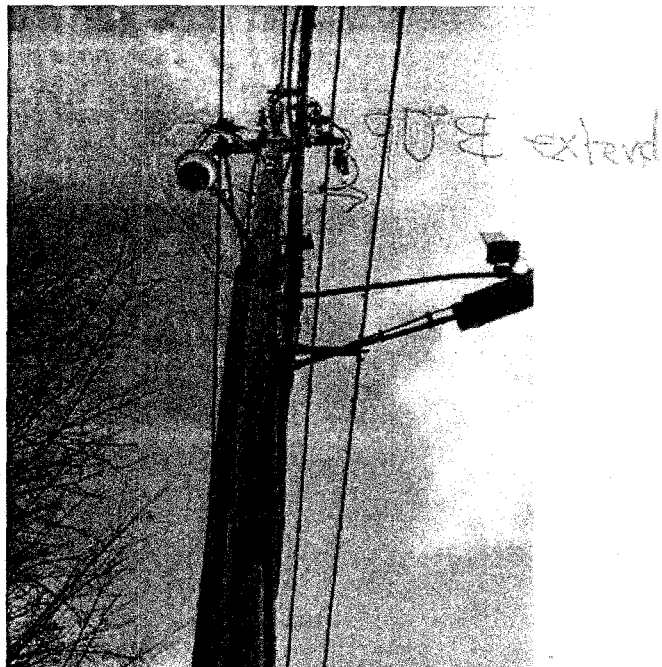

I checked CEI Billing records and the Red Raider HOA closed out the POL account in March 2013. Apparently, following the installation of a replacement bulb(s) this past October, the lights were blocked from further action as neither POL is assigned to an active account.

Once I hear back from you, I will create a Notification to have CEI Engineering provide a quote to Russell Township for repositioning/upgrading the POL. Doing so, will change its designation from an Area Light to a Streetlight. There would be no cost for the quotation. Please let me know your thoughts when you have a minute..

Regards,
---Dave

Chuck:

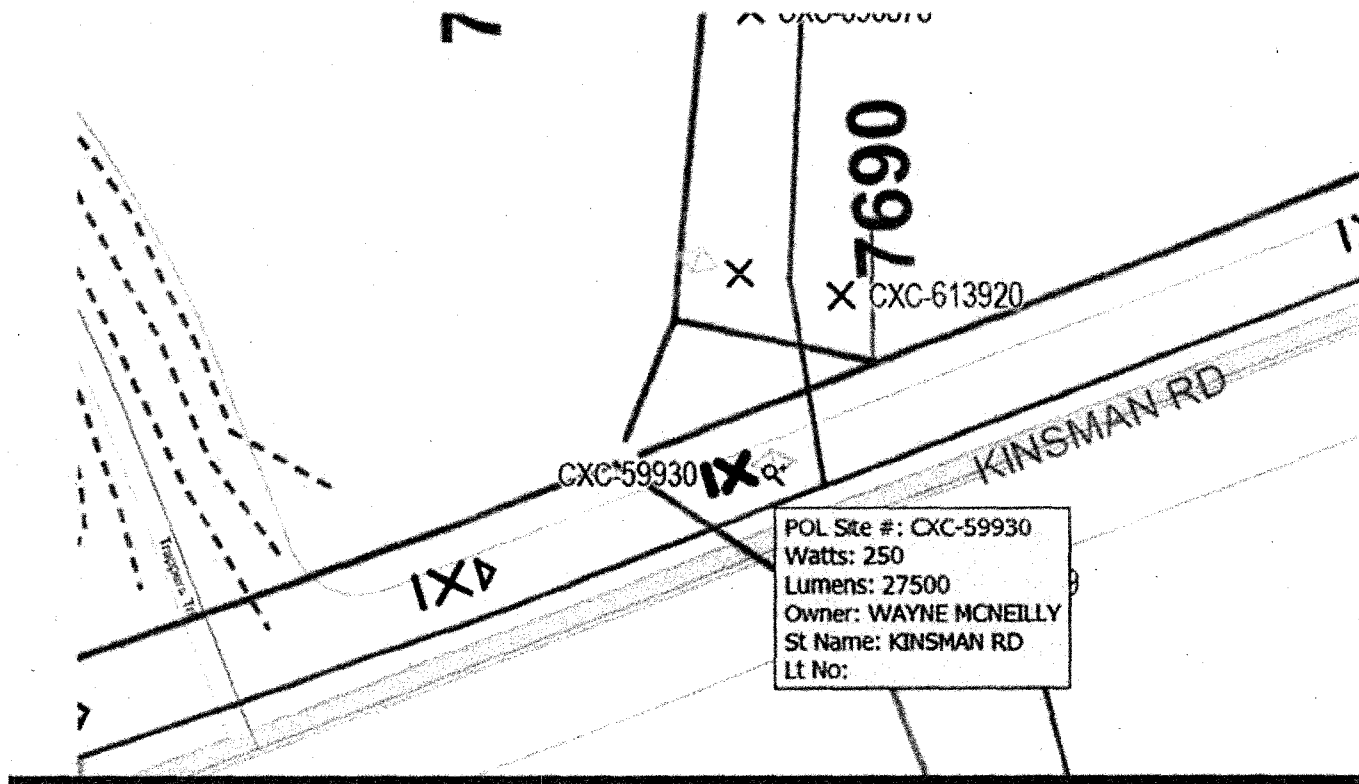

Please see the appended screen capture. The Area Light (or Private Outdoor Light or POL), Pole Number CXC-59930, is owned by The Illuminating Company and is leased to the homeowner, Mr. Wayne McNeilly, who lives at 7676 Kinsman Road.

I checked both CEI Mapping and Billing Records and verified this information. This is an active POL account. Trustee Gabram and I visited this location earlier today.

Please advise if Russell Township wishes any further action on this.

Regards,
---Dave
