Kate,

Can you look this agreement over and add anything that you think essential for this short term lease?  
Thank you.

Chuck,

Per our conversation we are doing a gas line project for Dominion East Ohio at Bell Road and 306. We are in need of a staging area for pipe, trucks, sand, stone, etc. during the project. We are interested in renting the lot behind the Russell Police station for the months of October – December. We would be willing to rent this for \$1,500.00 for those three months and then on a month to month basis at \$500 per month if additional time was needed. Attached you will find a blank copy of the rental agreement we normally use for these situations. We can also furnish you with an insurance cert and worker's comp certificate for the townships protection. I will give you a call Thursday morning to see if the trustees are agreeable to this arrangement. Thank you for your time.
