## MEMO

To: All Ohio Public Works Commission District Seven Townships

From: Shane Hajjar, District Liaison

Enclosed please find the ballot for the election of three representatives to represent townships on the OPWC District Seven Local Integrating Committee.

It is required that a majority of townships elect the township representatives and alternates.

- We ask that your **BOARD** take action to elect three members to the OPWC District Seven Local Integrating Committee.
- The vote must be from the Board and not individual Township Trustee members.
- Each Board should complete one ballot.
- We do request that each Board select the maximum (being three candidates) on your ballot in order to allow the election to conclude with one mailing.
- Please note that in the past, Townships have been represented by only 2 of the possible 3 representatives on the District Integrating Committee because many Boards did not vote for candidates.
- Return completed ballot to me by August 17, 2018 if possible. If not, send an email when I should expect to receive it.

Thank you for your attention to this matter. Please do one of the following:

- 1 - Fax your completed ballot to (440) 285-9864
- 2 - Scan and email your completed ballot to [shajjar@co.geauga.oh.us](mailto:shajjar@co.geauga.oh.us)
- 3 - Mail your completed ballot to the Geauga County Engineer
